

Peter pan

Sr Android Developer

Professional Summary

A dedicated and innovative Sr Android Developer with 7+ years of experience in designing, developing, and deploying robust mobile applications. Proven ability to lead complex projects, mentor junior developers, and drive technical excellence to deliver seamless user experiences. Passionate about clean architecture, performance optimization, and staying ahead with the latest Android technologies.

Work Experience

Sr Android Developer

March 2021 - Present

Nebula Mobile Solutions, Orlando, FL

- Led the development of key features for a high-traffic e-commerce Android application, impacting millions of users.
- Mentored a team of 3 junior Android developers, conducting code reviews and fostering best practices in Kotlin and clean architecture.
- Implemented CI/CD pipelines for faster deployment and improved code quality using Jenkins and Bitbucket.
- Collaborated with product managers and UI/UX designers to translate requirements into technical specifications and elegant user interfaces.

Android Developer

July 2018 - February 2021

Horizon Tech Innovations, Tampa, FL

- Developed and maintained multiple Android applications using Java and Kotlin, focusing on performance and scalability.
- Integrated RESTful APIs and third-party SDKs to enhance application functionality, including payment gateways and analytics.
- Participated in the full software development lifecycle, from concept and design to testing and deployment on Google Play Store.
- Optimized application performance and memory usage, resulting in a 15% reduction in crash rates.

Junior Android Developer

June 2016 - June 2018

Stellar Apps Co., Jacksonville, FL

- Assisted senior developers in the implementation of new features and bug fixes for various Android projects.
- Wrote unit and integration tests to ensure code quality and application stability.
- Contributed to UI development, ensuring adherence to Material Design guidelines.
- Learned and applied core Android development principles and patterns.
