Lionel Messi

Front-end developer

Professional Summary

Highly motivated and detail-oriented Front-end Developer with 5+ years of experience building responsive and user-friendly web applications. Proficient in modern JavaScript frameworks, particularly React, and dedicated to creating exceptional user experiences. Eager to contribute to innovative projects and collaborate with dynamic teams.

Work Experience

Senior Front-end Developer   January 2021 - Present
SpectraTech Solutions, Miami, FL

- Led the development of a new customer portal using React and Redux, improving user engagement by 25%
- Mentored junior developers on best practices for clean code and efficient component architecture
- Collaborated with UX/UI designers to translate wireframes and mockups into pixel-perfect, responsive interfaces
- Implemented unit and integration tests using Jest and React Testing Library, reducing bug reports by 15%

Front-end Developer   June 2018 - December 2020
Innovate Web Group, Fort Lauderdale, FL

- Developed and maintained various company websites and web applications using HTML5, CSS3, and JavaScript
- Optimized application performance and loading times, resulting in a 10% increase in page speed scores
- Integrated RESTful APIs to fetch and display dynamic content, ensuring seamless data flow
- Participated in agile ceremonies, contributing to sprint planning and daily stand-ups

Junior Web Developer   August 2017 - May 2018
Digital Horizon Agency, Orlando, FL

- Assisted in front-end development tasks under senior supervision, focusing on component creation and styling
- Gained proficiency in responsive design principles and cross-browser compatibility
- Supported content updates and minor feature enhancements for client websites
- Utilized Git for version control and collaborated effectively with team members on shared projects
